

ResetDevice::execute

```
graph LR; A[ResetDevice::execute] --> B[ResetHardware::soft_reset]
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'ResetDevice::execute'. A blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains the text 'ResetHardware::soft_reset' on two lines.

ResetHardware::soft
_reset
